

LEARN HOW TO AUTOCROSS!

The Sacramento Valley Region - PCA will be conducting an autocross school for beginners. Instructors will teach you all of the things you will need to know about autocross. You will then have an opportunity to practice what you've learned on a real autocross course.

April 6

Ground School at RPM Indoor Kart Center
7pm - 9pm

April 10

Mather Air Field

- Learn car control - Braking - Slalom technique
- Apex - Cornering at the Limit

- 8:00 AM Check-in & Tech Inspection
\$50 per driver includes lunch.

Pre-registration required. Limited to 36 drivers.

- 9:00 AM Instruction Begins
